How to install & operate the school mobile app SOFOS

1. Use the above provided QR code/links to download or go to  Google Play Store /  Apple Store and search for **SOFOS**.
2. Install the mobile app & open it. Tap on **ADD ACCOUNT**.
3. On the next screen, enter the school code **jpssv** & your child's **Admission number**. Tap on **Send OTP**.
4. A notification will display the last 4 digits of your registered mobile number(e.g., xxxxxx1234). Tap **PROCEED** & wait for up to 30 seconds for OTP to arrive. If the OTP is not received, ensure your registered mobile number is correct & that incoming text messages are enabled. Contact Class teacher/School admin to update your registered mobile no. if necessary.
5. Input the 5-digit OTP received on your registered mobile number and tap **PROCEED**.
6. After logging in, you can explore the features of the **SOFOS** app.
7. To add accounts for siblings on the same device, log out & repeat steps 2-6.

Additional Information:

- * Parents can download the app on multiple devices for convenience. OTPs will be sent only to the registered mobile number.
- * Added accounts will appear above the "**Add Account**" button. Simply tap on the account to log in. You do not need to tap "**Add Account**" every time you log in.
